Clarification Log

Project Number: P21161

Project Title: G St., 21st St. and 5th St. Crossings

Date	Question	Response
06/22/20	Where is the First Tier Subcontractors form submitted?	First Tier Subcontractor forms should be submitted to 201 South 18th St., Springfield, OR 97477 Attn: Jayne McMahan until, but no later than, 4:00 p.m. local time, the 30th day of June, 2020.
06/23/20	On sheet F7 where would the City like the two required ground rods to be located for the electrical service? P.S. Keep in mind the two ground rods must be a minimum of 6 feet apart.	Ground rods can be placed either side of the meter box meeting the 6' requirement behind the sidewalk. The Contractor will need to take care to verify location of utilities.
