**PLANK TOWN PRESENTS: CULT CINEMA  
JULY SPRINGFILM @ THE WILDISH THEATER**

*A FREE monthly film & discussion in downtown Springfield brought to you  
by Plank Town, the Springfield Library Foundation, and Willamalane*

The monthly film and discussion event, **Plank Town Presents: Springfilm**, continues its Cult Cinema series in July. Through August 2016, Springfilm features monthly screening of films that may be bizarre, may have been overlooked at their initial release, or may just be your favorite. The Springfield Library Foundation and Willamalane Park & Recreation District are also partners in this free monthly community event. Please join us at the Wildish Theater on Thursday, July 7 at 6:30pm for a screening of *Bottle Rocket*.

*Bottle Rocket* is not only Wes Anderson's directorial debut but also the debut feature for brothers Owen and Luke Wilson who co-star in this bright, optimistic caper comedy about a trio of friends and their elaborate plans to pull off a robbery and go on the lam. Critic Matt Nolan said *Bottle Rocket* should be remembered as "the film that gave the director the power and name recognition to continue making the films he wanted to make." Of course those films---including *Rushmore*, *The Royal Tenenbaums*, *The Life Aquatic with Steve Zissou*, *The Darjeeling Limited*, *Fantastic Mr. Fox*, *Moonrise Kingdom*, and *The Grand Budapest Hotel*---are known for their distinctive visual and narrative style and have garnered critical acclaim for Anderson. Starring Luke Wilson, Owen Wilson, and Ned Dowd; directed by Wes Anderson; 91 minutes; 1996.

The movie and discussion are free to attend. The ongoing film series is presented by Plank Town Restaurant and Brewery and coordinated by a partnership with the Springfield Library and Willamalane Park & Recreation District.

The *Cult Cinema* series continues Thursday, August 4, 2016 at 6:30pm with *Mad Max 2: The Road Warrior*.
