## MIXED MEDIA: EPHEMERAL ART

*Grade School Art Class at Springfield Public Library*

Mixed Media is back in full force! This month we're exploring the art of Andy Goldsworthy and his unique ephemeral art (art made from nature that is allowed to return to nature – it isn't permanent). We will be creating art using leaves, shells, petals, sticks, stand, etc. and photographing our work. We will then "destroy" our product and return it to nature. The photographs will be our takeaway from this experience.

This program is designed for ages 7-12. Grownups are strongly encouraged to attend and participate with their children. Younger children may attend with older siblings, but may not be able to fully participate in the program.

Springfield Public Library would like to thank the Springfield Arts Commission for funding this workshop.
