Adulteen 101: Cooking Ramen!

A teen program at Springfield Public Library

Teens, come join us for a competition to see who can make the best ramen at 4:30 p.m., Tuesday, October 23 in the Library Meeting Room at Springfield Public Library, 225 5th St., Springfield.

Ramen is a staple food of college students and young adults everywhere, but it doesn't have to be boring. Add a dash of sauce and a few other easy ingredients, and you can make a masterpiece. We'll supply all the ingredients, you supply the creativity. Entries will be judged, prizes can be won!

This program is free and intended for teens. Programs at Springfield Public Library are generously supported by the Friends of Springfield Library.
