

City Manager's Office

Departmental Programs

- Administration
- Economic Development

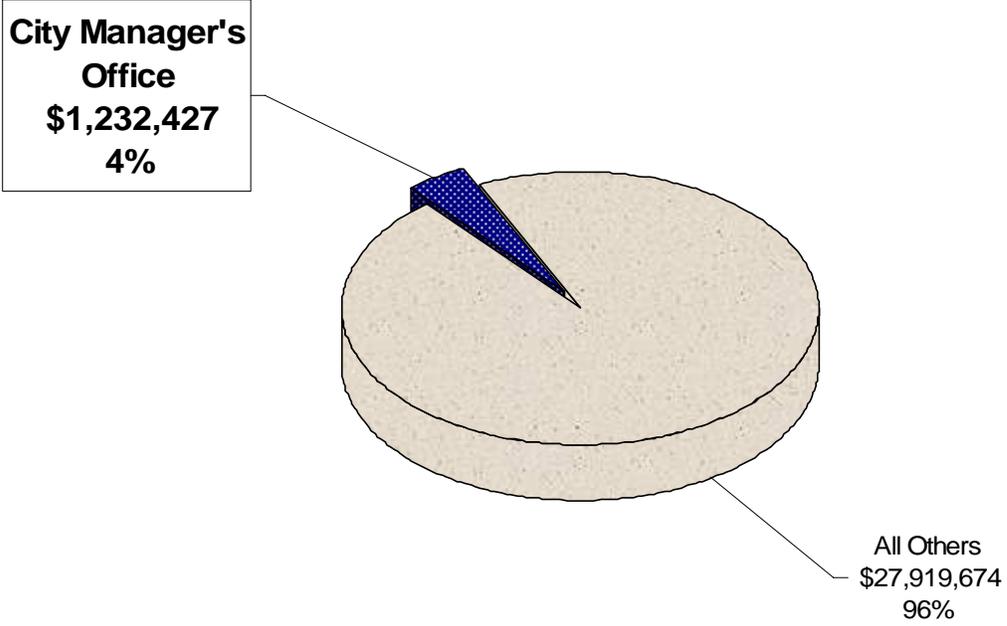

Department Description

The City Manager's Office directs and coordinates the work plans of all City departments in conformance with the goals and objectives established by the Mayor and City Council. The City Manager is the chief administrative officer for the City and is responsible for informing and advising the City Council regarding services the City provides to the community and ensures that appropriate administrative processes are in place to facilitate effective and efficient provision of City services. The City Manager oversees the administration of all City departments and functions and appoints the department directors. Staff in the City Manager's Office support the Mayor and City Council and are responsible for city recorder functions, City elections, management of boards, commissions and committees as well as media relations, public information, responding to citizen concerns, intergovernmental relations, administration of the City budget, oversight of the city Emergency Management Program, managing the city's community and economic development program, including staffing of the Springfield Economic Development Agency.

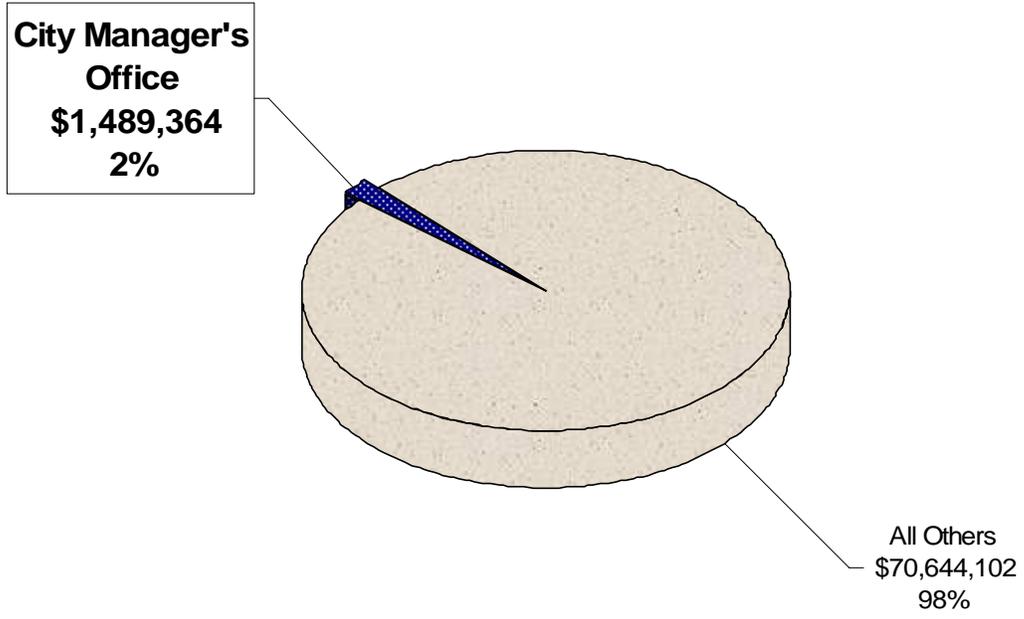

Mission

The City Manager's Office mission is to ensure that a common vision exists throughout the City's service delivery systems and that the citizens of Springfield are encouraged to participate in City government. Supporting multi-jurisdictional partnerships and maintaining excellent working relationships with other governments is a focus of the City Manager's Office. The City Manager's Office creates and facilitates systems, processes and policies necessary to provide quality and consistent services to our community. The City Manager's Office ensures that the city's Community and Economic Development Program offers business, community organizations and citizens the appropriate support for economic development and growth, promotes awareness and understanding of city services, policies, projects, and issues through communication with the citizens, employees, news media, special interest groups, community groups, neighborhoods and businesses. The City Manager's Office also staffs and implements the Springfield Economic Development Agency to develop and redevelop the Glenwood area.

City Manager's Department

Program: City Manager's Office Administration

Program Description:

The City Manager's Office is responsible for directing and coordinating the work plans of all City departments in conformance with the goals and objectives established by the Mayor and City Council. The City Manager is responsible for informing and advising the City Council about changes in service levels and delivery mechanisms, implementing administrative processes which facilitate the effective and efficient provision of City services, analyzing policy issues pertaining to organizational goals and objectives, and appointing department directors. Staff in the City Manager's Office is responsible for media relations, public information, employee communication, responding to citizen concerns, special events, intergovernmental relations, general administration, budget administration, City recorder functions, City elections, management of boards, commissions and committees, support to the Mayor and City Council, oversight of the City's Emergency Management Program, managing the City's community and economic development program and staffing the City's urban renewal agency.

Budget Highlights and Service Level Changes:

Highlights: The budget includes continued funding to support City participation in TEAM Springfield as well as continued funding for eight outside / regional Intergovernmental Agencies and two local outside agencies (Chamber of Commerce and Museum). Funding for the referenced agencies is reflected within the City Manager's Office budget program area titled Intergovernmental Agencies.

There are no significant changes to the base budget. Where membership dues increases are known, those increases are reflected in the base budget. Otherwise, Intergovernmental Agreements reflect rates from last fiscal year.

Service Level Changes: A new Assistant City Manager will begin employment by the end of this Fiscal Year. Based upon policy, direction, process, or other recommendations by the City Manager, the Budget Committee may receive mid year budget changes to support potential programs.

City Manager's Department

Program: Economic Development

Program Description:

- Economic Development staff work to increase the number, diversity, and stability of private sector jobs in the community by assisting local businesses with site development and infrastructure, overseeing the Enterprise Zone program, and accessing other incentive programs, while managing the Enterprise Zone Program. The staff provides services designed to facilitate economic growth, redevelopment, and neighborhood stability.
- The Transient Room Tax program supports tourist-related activities in Springfield.
- The Economic Development staff implements the Glenwood Urban Renewal Plan and acts as staff liaison between the city and the Springfield Economic Development Agency.

Budget Highlights and Service Level Changes:

Highlights:

- Assist with marketing of vacant industrial properties.
- 318 new hotel rooms are proposed and/or under construction. Room tax revenue is expected to grow by more than 5%.
- 10 options, with 10 property owners, obtained along the Glenwood riverfront.
- Participate in civic/convention center study and development.
- Provide staff support for the Springfield Economic Development Agency in redeveloping Glenwood.
- Begin discussions regarding Glenwood Riverfront Redevelopment through the City's Urban Renewal Agency (SEDA).
