

**LSTA Grant
Library Card Application
for Springfield Public School Students**

INSTITUTE of
Museum and Library
SERVICES

Usually, to qualify for a free library card, you must rent or own property within the Springfield city limits. Thanks to a generous grant administered by the Oregon State Library and funded in part by the Institute of Museum and Library Services through the Library Services and Technology Act (LSTA), the library will waive the fee for all Springfield Public School students and their families living outside of the city limits. (There will be no charge for the family for one year. Parents and legal guardians can also obtain free cards by registering in person at the Springfield Public Library.) In order to create a library account, the library requires that parents or legal guardians complete this form and return it to the classroom teacher, school office or Springfield Public Library.
