### **What is happening now?**

The project is now available for contractors to bid on. Construction is planned for summer 2024.

### **What is being planned with the project?**

A paving grind and inlay will be applied to 42nd Street between International Paper and Marcola Rd. along with new striping and signing.

### **Why do the project?**

This section of 42nd Street is past the point of being able to be maintained properly in its current condition. A 2" grind and inlay will be applied to this section of 42nd St. to improve the travel surface of the street.

### **What is the project schedule?**

We expect the project to start in 2024 and be completed by the end of 2024. The latest project information can be found online at [bit.ly/42overlay](https://bit.ly/42overlay) or by scanning the QR code with your smartphone.

### **What is being considered for the future?**

Future improvements are being considered and will be determined once an analysis of the 42nd St. levee has been completed.
