Position Summary

The Court Program Coordinator plans, manages, coordinates, research, and implements the special programs of the Springfield Municipal Court, including Adult Drug Treatment Court, Aid and Assist Programs, community impact initiatives, and other specialty court programs. Ensures compliance with federal, state, and local rules and regulations. Assists in program budget preparation, grant writing and/or monitoring. Performs other duties of a similar nature or level.

Classification Characteristics

The Court Program Coordinator falls under the Management Analyst classification. Management Analysts make process decisions and decide how to best achieve the objectives, standards or guidelines established at higher levels and may include supervision of lower-level support staff or lead responsibilities. The Management Analyst is a broad professional classification that encompasses incumbents engaged in a wide range of analytical, research, budget management, and program management activities.

Analyst I - Employees at this level generally have minimal professional experience and perform more day-today routine and recurring activities for which there are defined processes, procedures, instructions, models, and precedents. Operates at the tactical and transactional levels. As experience is acquired, employees are expected to perform with increasing independence. This level requires a general knowledge of basic analytical processes and program knowledge and the ability to interpret a variety of data.

Analyst II - This the journey level in the Management Analyst series. The Analyst II differs from the Analyst I by the level of complexity, sensitive, independence, and the diversity of assignments. Employees assigned to this classification have full responsibility for a variety of diverse activities, including developing and/or refining policies, procedures, and related items for specialty court programs. Employees have also demonstrated the knowledge and the ability to deal independently with complex and sensitive issues; they lead an area of operational function; lead or manage small to mid-sized projects; they work independently with minimal supervision and receive only occasional instructions or assistance as new or unusual situations arise.

After an employee has been employed at the entry level in a flexibly staffed classification for a period of at least one (1) year, the employee may be advanced to the journey level subject to the following:

- The employee meets the minimum qualifications for the journey level.
- The employee is performing journey level duties at an acceptable level.
