Springfield Public Library to Display Kids' Collections

Kids can sign up to display their collections in the Children's Area cases

Calling all collectors between the ages of four and 13! Do you have a special collection of rocks, stamps, dolls, cars, or other fascinating items? You can sign up to display your collection, or highlights of your collection, in the Children's Area at the Springfield Public Library.

Collections will be in locked display cases and exhibited for one month at a time. We can have three collections on display a month. Stop by the Children's Desk at the Library or call 541-726-3766 to sign-up. We are currently signing people up for March.

At the beginning of each month, we'll have new signups for the following month.

What: Kids' Collections on Display

When: On-going

Where: Springfield Public Library

Additional Information: wheremindsgrow.org/programskids.html, or contact Emily David at 541-726-2235
