WiFi, ONLINE PUBLIC ACCESS UPGRADES NOW AT THE LIBRARY

As if you needed another excuse to stop by the Springfield Public Library, access improvements will make it even easier to get the materials you need. The library now provides access for wireless devices. You don't need to have a library card to use the WiFi service.

The library has also upgraded its electronic card catalog, providing for better access for our customers. Library patrons can now: access the library online; reserve and renew materials; read book summaries; view the book covers; keep track of authors and subjects of interest; view best seller lists and reserve books – all from home. Take a look at <http://www.ci.springfield.or.us/library/>.
