For over 50 years the International Association of Firefighters has raised millions of dollars for the Muscular Dystrophy Association. Again the Springfield Firefighters will be asking to Fill their Boots for MDA this Friday and Saturday.

Last year Springfield Professional Firefighters Local 1395 raised over \$354.00 per firefighter for a total of nearly \$28,000 and hoping to increase that amount again this year.

Each dollar goes to local kids and families to support their needs and any research done has all findings accessible to any research group wanting the information.
