**COMPUTER SERVER INSTALLATION TO CLOSE LIBRARY
FOR ONE DAY**

Library will be closed on Wednesday, August 22

The Springfield Public Library will be closed on Wednesday, August 22 while a new server is installed. The library attempted to do this data transfer in the evening - however the vendor for the project only performs this work during business hours. The library will reopen on Thursday, August 23 at noon.

The library staff thanks you for your patience and understanding.

What: Library to close for computer server installation

When: Wednesday, August 22 – reopening on Thursday, August 23 at noon.

Additional Information: Contact 726-3766
