SPRINGFIELD LIBRARY SURVEY NOW ONLINE

Fifteen minute survey to help shape the future of Library services

The Springfield Public Library is conducting a community-wide online survey entitled, “It’s Your Library” to learn how we can best serve our citizens. This brief survey can be found on our website at www.wheremindsgrow.org and all Springfield citizens are encouraged to take part, whether they are regular Library users or not. The survey will be available until November 27.

The survey can be completed electronically through the Library’s website or in person at the Library. During the next month the Library will also be conducting focus groups to have a more in-depth conversation about what kinds of services Springfield’s citizens most need and want and how the community might be able to fund them. Please help shape the future of your Library by participating.

What: “It’s Your Library” – Community Survey

Where: Online at “wheremindsgrow.org” or in person at Springfield Public Library
225 5th Street, Springfield, Oregon

When: Now – November 27nd

For additional information: Contact Rob Everett at 726-3756
