## Channel 6 Floodplain Mapping Project Update

In fall 2016, the City submitted an application to update the data and floodplain maps currently on file with the Federal Emergency Management Agency (FEMA). The City mailed residents and property owners within the Channel 6 area a letter at that time. On June 1, 2017, FEMA confirmed that the analysis submitted by the City is accurate. FEMA's decision will become effective on October 1, 2017. Any request to FEMA to reconsider the determination must be based on scientific or technical data and may be submitted directly to FEMA.

**Visit <http://www.springfield-or.gov/Channel6> for more detailed information and to read the FEMA Decision Notification Letter.**
