3.3 Interpretation of Competitive Price Quote Documents

If it should appear to a Contractor that the work to be done is not sufficiently described or explained in the Request for Competitive Price Quote documents, or that Request for Competitive Price Quote documents are not definite and clear, the Contractor shall make written inquiry regarding same to the individual shown and in the manner instructed in the Request for Competitive Price Quote documents. Questions received will be evaluated and if, in the judgment of the City, the response does not alter or amend the requirements or scope of the Request for Competitive Price Quote, but merely clarifies existing information, the response will be entered on the Clarifications Log and posted to the City's

website at <http://www.springfield-or.gov/dpw/CompetitiveQuotes.htm>. If, in the judgment of the City, additional information or interpretation is necessary, such information shall be supplied in the form of an addendum. 5. Quote

5.1 Submittal and Form of Quote

For your quote to be considered responsive by the City of Springfield the following documents must be included with your submission. A complete submittal package will consist of the following documents:

- ✓ Quote Submittal
- ✓ Financial Responsibility Form
- ✓ Minority, Women and Emerging Small Business/Disadvantaged Business Enterprise Form(MWESB)

All quotes shall be on the forms furnished by the City. All applicable blanks giving general information must be filled in and the quote signed by an officer or duly authorized representative of the Contractor. The only exceptions to this requirement are the MWESB and Contract documents. Completion of the MWESB form is voluntary, however it must be submitted with your Quote whether you complete the information or not. If you are awarded the Contract, you will be required to submit a fully executed copy of the Contract upon request. Any statement accompanying and tending to qualify a quote may cause rejection of such quote, unless such statement is required in a quote embracing alternate quotes.

Competitive Price Quotes should be clearly labeled with the project number, project title and the statement *Request for Competitive Price Quote* and submitted to the person and in the manner specified in the Request for Competitive Price Quote document.

All quotes must be clearly and distinctly typed or written with ink or indelible pencil. If, in the opinion of the City, the prices in any quote appear to be unbalanced, incomplete, or fail to comply with all the terms required, the quote may be rejected.

5.2 Withdrawal, Modification, or Alteration of Quote

A quote may be withdrawn on written request of the Contractor prior to the scheduled closing time for submitting quotes. No Contractor may withdraw its quote or any portion thereof after the time set for the submission of quotes until a Contract has been awarded and executed or until sixty (60) days have elapsed since the quote submittal. Negligence on the part of the Contractor in preparing its quote confers no right to withdraw its quote after the scheduled closing time for submitting quotes.

Prior to the scheduled closing time for submitting quotes, changes may be made provided the changes are initiated by the Contractor or its Agent. If the intent of the Contractor is not clearly identifiable, the interpretation most advantageous to the City will prevail.

5.3 Late Quotes

Quotes received after the scheduled closing time for submitting quotes as set forth in the Request for Competitive Price Quote documents will be rejected unless such closing time is extended by the City.

In the event that the City requests information from the Bidder the completeness of the information submitted, its veracity and the extent to which it has been independently verified will impact the City's decision.

5.5 Quote Ownership

All material submitted by the Contractor shall be considered the property of the City, and as such, shall not be returned to the Contractor after the deadline for submission of the quote in question has passed. After opening, all quotes will become part of the public record unless exempt under Oregon Public Records Law, see ORS 192.501, ORS 192.502 and ORS 279C.340.

to the full satisfaction of the Engineer.

The City also reserves the right to reject any quote which is 10 percent greater or 20 percent less than the Engineer's estimate or any quote which contains unit price item amounts which vary more than 30 percent plus or minus from the Engineer's Estimate.
