

GENERAL ORDER 43.3.2

Surveillance Equipment

GENERAL ORDER CROSS-REFERENCE: None.

SUMMARY

Describes the use and control of Department surveillance equipment.

DISCUSSION

None.

POLICY

I

Electronic surveillance devices shall be used only in accordance with the law.

The Investigative Services Division Sergeant or his designee will maintain an inventory list of all specialized surveillance equipment that will include:

1. Item name and description.
2. Serial number and identifiers.
3. Current location of item.
4. Officer/agency to whom the item was loaned.
5. Dates in/out, if item is loaned.

Outside law enforcement agencies may occasionally request to use the electronic surveillance equipment. Authorization for such use will remain with the Investigations Supervisor or designee.
