

GENERAL ORDER 61.9.1

Traffic Safety Education

GENERAL ORDER CROSS-REFERENCE: None.

SUMMARY

Describes the Springfield Police Department's traffic safety education program.

DISCUSSION

The ultimate goal of traffic enforcement officials is to achieve voluntary compliance with traffic laws and regulations to reduce the number of traffic accidents.

Among the steps necessary to achieve this goal is educating the public to the ever changing laws and safety procedures as they apply to traffic safety.

POLICY

I

The Patrol Division Commander shall be responsible for maintaining a supply of current, up-to-date educational materials covering the varying aspects of traffic laws and traffic safety.

II

The Community Services Unit shall make available to the community current, up-to-date educational materials covering the varying aspects of traffic laws and traffic safety.

Richard L. Lewis
Chief of Police
