

Survey questions (do we want multiple surveys for different age groups? Delivery methods? Accessibility? What do we want to gather information about? Bilingual (yes-Jenna's intern)?

2 surveys: children and adults

Census questions good baseline, but need questions outside of these

- 1) Where do you live (choose from different areas)
- 2) Occupation/retired
- 3) Native Oregonian
- 4) Age
- 5) Tribal affiliation
