Dear Springfield Arts Commission ,

Thank you for your kind donation of \$799.80 on 7/6/2021. Your support makes it possible for us to continue to provide the programs that are so important to our local schools, and I want to personally thank you for your generosity. You are changing students' lives!

With your contribution, we are able to help not only our students but our teachers as well. For example, your donation helps:

- provide innovative teachers with the tools they need to inspire student success,
- engage students in STEAM (science, technology, engineering, arts, and mathematics) by creating engaging learning opportunities, and
- support literacy programs that cultivate a love of reading among students at many grade levels.

Students are flourishing as a direct result of the generosity of community members like you who believe in them.

Please retain this information for your tax records.

Sincerely,

Christina San Filippo
Executive Director
