RE: Centennial Blvd. Overlay Project Update

Dear Property Owner/Resident/Tenant:

We are excited to share that construction will be starting soon on our last GO Bond Measure 20-296 project which was passed by Springfield voters in 2018.

Construction on Centennial Blvd. will begin Tuesday, May 31 at 7 a.m. RiverBend Construction, Inc. will start removal and reconstruction of the ADA ramps between Rainbow Drive and Prescott Lane.

All ADA crossings on the south side of Centennial Blvd. will be closed for approximately two weeks during this period. Once complete, work will shift to the north side of Centennial Blvd for approximately the same duration and the southside ramps will reopen.

Traffic lane closures and construction operations will begin at 7 a.m. and end by 5 p.m. Monday through Friday. The center driveway into Centennial Center shopping center will be intermittently closed and there may be delays turning at Prescott and Rainbow Drive. Plan to seek alternate routes and allow plenty of extra time if needed to reach your destinations.

Staff will provide updates of the construction project on the project webpage <https://bit.ly/CentennialOverlay>. We will also send out electronic updates through email. If you would like to receive these updates, please sign up at <https://bit.ly/GOBondemail> or use your smartphone camera to scan the QR codes below.

If you would like to find information on any other projects we are working on, check out our Current Construction Projects webpage https://bit.ly/spfld_ccp.

If you have any questions or comments, feel free to reach out to me.

Sincerely,

Kristi Krueger, P.E.
