

## 52nd St. and 52nd Pl. Thin Lift Overlay Project

See reverse for more details...

225 Fifth Street  
Springfield, OR 97477

## Resurfacing of 52nd St. and 52nd Pl. Starting Soon

### Work is starting soon to bring you a newly paved street!

52nd St. and 52nd Pl. will be  
resurfaced with a thin lift overlay  
in August.

#### Tentative work schedule: August 15-18

For more information please contact:  
Ben Gibson, maintenance supervisor or  
Laryn Macauley, maintenance crew chief  
541.726.3761

#### What is happening on my street?

Springfield's Development and Public Works Operations Division intends to perform a thin lift overlay on the unimproved sections of 52nd St. and 52nd Pl. between B St. and D St.

#### How will this affect me?

Each street will have limited access for one day during construction, with no vehicle access on paving days. Emergency vehicle access will be available but other vehicles will need to enter and exit the street prior to 7 a.m. and after 6 p.m. You may notice nuisance noise, dust, and heavy construction equipment during this time.

#### When will the work start?

We are planning to pave the week of August 15-18. This schedule may change due to unforeseen circumstances including weather. As construction dates are confirmed you will be notified by reader boards and a door hanger.

**To effectively accomplish the job, all vehicles, trailers, campers, and other objects must be moved off the street by August 15th. Vehicles may be towed at owners expense if not moved during the project. Per Springfield Municipal Codes 5.052 & 6.305**
