

Special Noise Permit Application

Other

This is an application for a noise variance from the Springfield Municipal Code (SMC). You should apply for it if your using a mechanical device operated by compressed air, steam or otherwise between 6 pm and 7 am or broadcasting programs of music, news speeches or general entertainment. Please fully complete the application and return it to the Springfield Police Department front counter or email it to police@springfield-or.gov. The application must be submitted 30 days before the first date of noise activity noted on this application.

The Police Department will review the application to determine the reasonableness of the request and any proposed mitigation measures. If the application is approved, you will be issued a permit specifying the date and times the permit covers, description of permitted noise activity, location where noise activity is permitted, and any conditions of approval, if any. Once signed by authorized City staff and conditions of approval noted, if any, this form will serve as your permit. If your permit application is denied or revoked, you may appeal to the City Council in writing according to SMC 5.220(8). Contact the Police Department if you wish to file an appeal.
