- Applicants:
 - Meredith Branch
- As of 11/2/2022 AJ Nytes confirmed that Mayor Van Gordon has approved the appointment of Meredith Branch to a full term for the SAC with an expiration of December 31, 2026. The appointment will become official at the December 5, 2022 City Council session.
- As there are an insufficient number of applicants to fill vacancies, Council will direct staff on next steps. It may, for instance, include appointment of other candidates from the bcc applicant pool that were not appointed to the first bcc of their choice. There will also likely be a re-opening of recruitment in January 2023 for this and other bcc's that have remaining vacancies.
