

Think about **and come prepared with some notes** (so we're not just meandering and brainstorming in session) the following:

- What should be priorities for FY23?
- What will SAC members commit to on the volunteer calendar (This will be filled out at the meeting). For a full commission, everyone is supposed to commit to at least 3 months of art walks, for comparison.
- Ideas for recruitment - from simple to pie in the sky. We keep talking about this and need to take action.
