Application for a City of Springfield Citizen Advisory Board/Commission/Committee

Please print or type:

1. What experiences / training / qualifications do you have for this particular board / commission / committee?

I have volunteer experience with Food For Lane County and SAfER (Springfield Alliance for Equity and Respect), as well as various community experiences as the parent of a child who grew up in Springfield. I feel I have a decent ability to connect and engage with community members. And I have a strong interest in the art, both for myself and my community.

2. What specific contribution do you hope to make?

I hope to help create excitement and investment in the artistic culture of Springfield, by helping promote community members and various groups in our community. I feel this would be a good space for me to be more involved in Springfield's growth and wellness.

3. Briefly describe your involvement in relevant community groups and activities. (Lack of previous involvement will not necessarily disqualify you from consideration.)

I have very little history in community arts and culture, but I do have volunteer and advocacy work, with FFLC and SAfER. And as a parent who raised a child up through Springfield schools, I have experience with assorted community groups, including soccer refereeing with AYSO, being a parent assistant with the Girl Scouts, and serving with the Hamlin Middle School and Springfield High School PTAs.

4. What community topics concern you that relate to this board / commission / committee? Why do you want to become a member?

As an artist, I want to be more connected to the cultural parts of Springfield. I create constantly, but I don't have much experience with exhibiting or selling, etc. And I imagine many Springfield residents relate to this position. By joining this commission, I feel I will be better engaged with our local art community, and perhaps I can help others become more engaged as well. I sense that this commission is committed to access and representation, and I will help us continue to be so.

5. Most boards / commissions / committees meet monthly. Subcommittees may meet more frequently. Meetings generally last one and one-half hours. **It is highly recommended you attend a meeting before submitting the application.** Please read the news release for this position which contains the normal dates and times for these meetings and can be found at <https://www.springfield-or.gov/city/newsroom/>. Are you available to attend meetings on the dates listed for this committee?

Yes No
