City Council will consider action regarding the conservation easement for the property adjacent to Linda Lane this coming Monday, March 6, 2023, during the 7 p.m. regular session of the City Council meeting. This action is being requested to provide permanent environmental protection for a portion of the wetlands located on the property.

Specifically during this meeting, Council will consider approval to authorize the City Manager to negotiate and execute a deed restriction on City-owned property (Tax Lot 18-02-04-00-01511, aka "Linda Lane Property") located in southeast Springfield for the purpose of protecting wetlands on a portion of the property as mitigation for the [Jasper Trunk Sanitary Sewer Extension Phase 3 Project](#) (P21065). Wetland mitigation is needed as part of the Jasper Trunk Sanitary Sewer Extension Phase 3 Project per state and federal permit regulations.

You can attend the Council meeting either in person or virtually:
