STANDARDS FOR FIREWORKS AND CHRISTMAS TREE LOT LICENSES

7.150 Definition.

For the purposes of sections 7.150 through 7.156, the following means:

Fireworks Sales Lot. Any location where legal fireworks are offered for sale to the general public.

Christmas Tree Sales Lot. Any location where Christmas trees and/or wreaths are offered for sale to the public.

7.152 License Required.

No person shall establish, maintain or operate a fireworks sales lot or a Christmas tree sales lot within the city unless a license for that use is obtained from the city. Every fireworks sales lot and Christmas tree sales lot, whether for hire or not, shall be deemed a fireworks sales lot or Christmas tree sales lot subject to the provisions of sections 7.150 to 7.156. Each licensee shall meet the standards as described in sections 7.000 to 7.006.

7.154 Standard of Operation.

The following shall be required of all fireworks sales lots and Christmas tree sales lots:

- (1) Written permission from the property owner;
- (2) The name, address and phone number of the business or person conducting the sale;
- (3) The name and phone number of the responsible person at the site;
- (4) All sales shall occur entirely on private property;
- (5) All display areas on the property shall be outside the required 25-foot vision clearance triangle;
- (6) Required parking spaces and landscaped areas of the established business on the property are to remain clear;
- (7) There shall be room to pull a vehicle off the roadway so that hazardous traffic conditions are not created. Once off the roadway, there must be adequate room and paved parking for all vehicles to park, in accordance with section 5.5-115(d) (site plan review) of the Springfield Development Code. Fireworks sales lots and Christmas tree sales lots shall not rely on parking required of the established business(es);
- (8) Fireworks sales lots and Christmas tree sales lots may be allowed only on property that is zoned CC-Community Commercial or MRC-Major Retail Commercial;
- (9) Signs, if used, must receive a valid sign permit(s). All signs must be located on private property where the sale is approved and shall be outside the required 25-foot vision clearance triangle.

The following shall be required of all fireworks sales lots only. The following is not required of Christmas tree sales lots.

- (1) Receipt of a valid license for fireworks sales from the Fire Life and Safety Department.

CERTIFICATE OF LIABILITY INSURANCE REQUIREMENTS

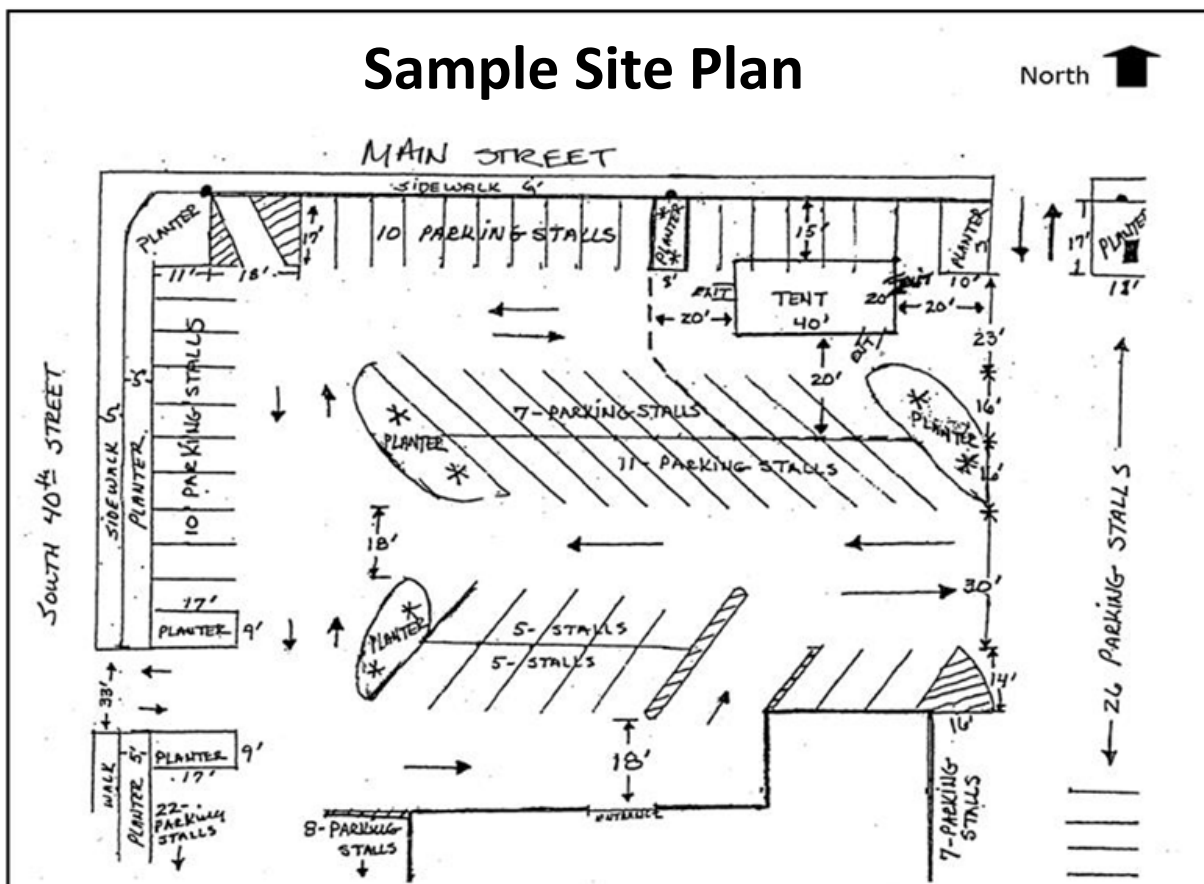

Provide a Certificate of Liability Insurance for the event.	
Event applicant shall maintain in force for the duration of the event a Commercial General Liability insurance policy written on an occurrence basis with limits not less than \$2,000,000 per occurrence and \$3,000,000 in the aggregate for bodily injury or property damage. The following language must be included in the "Description of Operations/Location."	
<p style="text-align: center;"><i>"The City of Springfield, its Officers, Agents and Employees are included as additional insured in regard to Liability arising out of the operations of the named insured per Policy Provisions in regard to the [Event Name] on [Date(s) of Event]. This insurance will be primary over any insurance the City may carry on its own."</i></p>	
CERTIFICATE HOLDER:	HOLD HARMLESS
City of Springfield 225 5 th Street Springfield, OR 97477	Applicant shall defend, indemnify and hold harmless, the City of Springfield, its officials, employees and volunteers from and against any and all claims, suits, actions or liabilities for injury or death of any person, or for loss or damage to property, which arises out of or in connection with the Applicant's activity or event, including use of any premises, or from any activity, work or things done, permitted, or suffered by Applicant in connection with the applicant's activity or event, including use of any premises, except only such injury or damage as shall have been occasioned by the sole negligence of the City of Springfield.

Site Plan Requirements

Show:

- Indicate property lines, parking areas (we will need to verify that there is adequate parking for the proposed use and any existing uses on site), public streets, walkways, travel lanes and driveways, including widths and driveway throat depths (minimum 24' driveway widths and 18' throat depths will be required).
- North arrow.
- All existing structures and buildings and the location of any proposed structures, tents, canopies etc. (These may require additional permits).
- Dimensions of the sales and storage areas with proximity to property lines and buildings.
- Power connections, wire runs and proposed cord covers.
- Generators.
- Please indicate set-up for all booths and vendors, restrooms, Ingress/Egress (If alcohol is being served, indicate dispensing locations and security personnel as well).
- In addition, an aerial photo with the approximate location of setup would be helpful in expediting this review process.

NOTE: If current site plan is denied a new site plan will need to be submitted, which will prolong the application review process.
