

Linda Lane Update

September 6, 2023

At their April 3, 2023, regular meeting, the City Council passed a resolution directing staff to submit an annexation application to start planning review, public notice, and hold public hearings for the annexation of the property adjacent to Linda Lane, specifically Tax Lot 18-02-04-00-01511. Public Hearing Notice letters are being mailed to adjacent property owners and residents regarding the upcoming public hearing.

The Springfield City Council will hear testimony on the annexation proposal on Monday, October 2, 2023, at 7:00 p.m.

This proposal would annex two vacant parcels on Linda Lane comprising approximately 34.73 acres and withdraw the subject properties from the Willakenzie Rural Fire Protection District. Concurrent with the annexation of the two parcels, annex approximately 0.95 acres of public road right-of-way for Linda Lane and a segment of Mt. Vernon Road and rezone the property to remove the Urbanizable Fringe Overlay District (UF-10). The subject annexation is proposed to accommodate existing and planned extensions of public utility lines and public streets and to facilitate future urban residential development.

The City Council public hearing will be conducted in person at City Hall (225 Fifth Street) and via the Zoom online meeting platform. Details for accessing the public hearing online will be posted at <https://www.springfield-or.gov/city/city-council-meetings/> by September 29, 2023. We will also send another update prior to the meeting, including the Zoom meeting access information.

Forward this email to other community members you know who may like to be informed about the **publicly owned property adjacent Linda Lane.**
