RE: GO Bond - G Street Project Update

Dear Property Owner/Resident:

Thank you to Springfield voters for approving General Obligation Bond 20-351 in May 2024. This investment funds street repairs on six streets across our community. All projects are currently in design, and the nearby G Street Overlay Project is moving into the construction phase, beginning with tree removal in the coming weeks. Additional work will continue into 2026. The project will include the following improvements:

Funded through GO Bond 20-351
- Pavement restoration of G Street from 10th Street to 23rd Street
- Upgrades to pedestrian ramps to meet current Americans with Disabilities Act (ADA) standards

Funded through Capital Improvement Program
- Construction of new sidewalks where gaps currently exist
- Upgrades to pedestrian ramps at Marylhurst Park to meet current ADA standards
- Remove and replace trees as needed to accomodate contruction of new sidewalks and ADA ramps
