2026 - 2027 Bagged Leaf Pickup

The City of Springfield provides a free leaf pickup service to residents within city limits to help prevent flooding, protect water quality, and keep our neighborhood streets safe for people driving, riding, and walking. Sanipac is contracted to pick up, haul, and recycle bagged leaves within city limits, in two rounds.

3 Easy Steps for Leaf Pickup

1. Collect leaves in medium-sized garbage bags.
2. Gather ONLY leaves in bags. If bags contain other yard debris they can't be used for compost and will not be picked up.
3. Place bags at the curbside, not in the street, by 7 a.m. Monday of the week your neighborhood is scheduled for pick up.

Not all bags will be picked up first thing Monday; it may take several days. Severe weather may cause delays.

West of 28th/31st Street

1st round begins: Monday, November 30*

2nd round begins: Monday, January 4*

East of 28th/31st Street

1st round begins: Monday, December 7*

2nd round begins: Monday, January 11*

***weather permitting**

What to do with all those leaves?

- Use leaves around the yard as mulch and compost.
- Take your leaves to a commercial recycler. Examples are Lane Forest Products or Rexius.
- Use your yard debris container; Sanipac, your solid waste hauler, recycles all yard debris.
- **Bag your leaves and take advantage of Springfield's Bagged Leaf Pickup Program.**

Please do not blow your leaves into the street!

- Piles of leaves can be dangerous.
- Vehicles may swerve out of their lane to avoid piles of leaves.
- Bicycles can be forced out of bike lanes.
- Leaves can be an attractive nuisance for children to play in.

Per City code it is illegal to place debris in the right-of-way (City Code violation 5.272).
